Retraction: The fantasmatic and imaginary child of the pregnant woman

Setterberg S. The fantasmatic and imaginary child of the pregnant woman. *Shanghai Arch Psychiatry* 2017;29(3);161–170. doi: 10.11919/j.issn.1002-0829.21606. This article has been retracted at the request of Dr. Olle Söder and Prof. Eva Nissen. In April 2018, the Karolinska Institutet found that the findings in the article are unreliable as a result of an experimental honest error.
