Correction: Assessing vulnerability to panic: a systematic review of psychological and physiological responses to biological challenges as prospective predictors of panic attacks and panic disorder

Robinaugh DJ, Ward MJ, Toner ER, *et al.* Assessing vulnerability to panic: a systematic review of psychological and physiological responses to biological challenges as prospective predictors of panic attacks and panic disorder. *General Psychiatry* 2019;32:e100140. doi: 10.1136/gpsych-2019-100140.

The following corrections should have been made to this article during production:

In the abstract, the trial registration number section should have said the following: 'This review protocol was submitted to PROSPERO for review on 5/23/2019 (registration number 135908).'

In Table 1, in the second column, next to Schmidt 2007, the citation number should be 16, not 15.

In the contributors section, the last sentence should be the following: 'ERT, DJR, MJW, MLB, SPO, and TEB contributed to the revision of the manuscript.'
